[REDACTED] GMIC Staff, Secretary

ITEM 1 - Approval of Minutes

1. The draft minutes of the meeting held on 6 June 1956 were approved as amended.

25X1A

ITEM 2 - Report [REDACTED]

25X1A

25X1C

2. [REDACTED] GMIC Staff, reported on his visit in June, with Lt. Colonel George H. Wilson, Chairman, GMIC, to REG [REDACTED] REG has accepted GMIC offer of guidance for the interrogation [REDACTED] and has requested that the priorities previously assigned [REDACTED] be reexamined in conjunction with a study which has been prepared by REG. Specific proposals for GMIC/REG guidance, support and communication were formulated and field coordination of these proposals is being effected by REG.

25X1C

25X1C

3. The Committee members agreed to defer action on certain of the REG proposals until complete information is received from the Field.

ITEM 3 - Guided Missile Requirements Guides

4. The Chairman requested that each member report at the next meeting the nature and scope of all guided missiles requirements guides that are being prepared or about to be issued by their agencies.

ITEM 4 - Gaps in Intelligence Information on Other Facilities with which
25X1C [REDACTED] were Associated

25X1A 5. [REDACTED] CIA member, proposed that the Committee, at an early date, review the deficiencies in intelligence information on the facilities with which [REDACTED] were originally associated. The Chairman requested the CIA member to provide the Committee with additional background information on his proposal.

25X1C

ITEM 5 - Scope of Ad Hoc Subcommittee Activities

6. The Chairman proposed that the Committee members take under consideration the preparation of a formal report to GMIC which would delineate the ad hoc subcommittee program for providing support to REG. It was also proposed that a formal status report be submitted to GMIC for inclusion and dissemination with GMIC minutes.

ITEM 6 - Meetings

7. The Committee agreed with the suggestion of the Chairman that meetings should be held weekly for the next several weeks. The next meeting will be held 24 July 1956, at 1330 in room 2B935, Pentagon.
